Elektel Delusion: Extra Chapter

Fumi-kun Deludes Too

NEKOTA YONEZOH

Introduction.

Hi, I'm Yonezoh. This will be my last book in 2009.

It's an extra chapter of the comic book "Elektel Delusion" which was released in October.

Personally, I think the couple in this manga is really weird seeing as I tried to draw an "uke" that is different from those I've drawn before. A lot of people have been telling me things like "I think this one is better."

Thus, I try really hard to not make Shunpei the weak, cry-baby type!

However, as a result, I feel that Fumi ends up becoming the crybaby instead...

I can't go on like this... I gotta change...

A lot of people were saying how "the two of them didn't go all the way!", so I hope I can satisfy them in the future.

The story will continue into volume 2 which will start next year. So I decided to make this doujinshi about Fumi's delusions.

I also decided to hold back on the H-scenes.

I'm scared that people will tell me "We can't print this" if I draw racy scenes, so I decided to omit them. And yet this book is meant for adults only...

If you were expecting a lot from this book, please reduce your expectation by 30% when reading it. (I think I said this before... somewhere.)

Also, sadly to say, I drew the cover of this book about a month before I drew the insides. Thus, the images on the cover and insides look slightly different...

Hiks hiks...

I want to redraw it... That's what I thought on the morning before I submitted the manuscript.

Right, I'll stop my whining now.

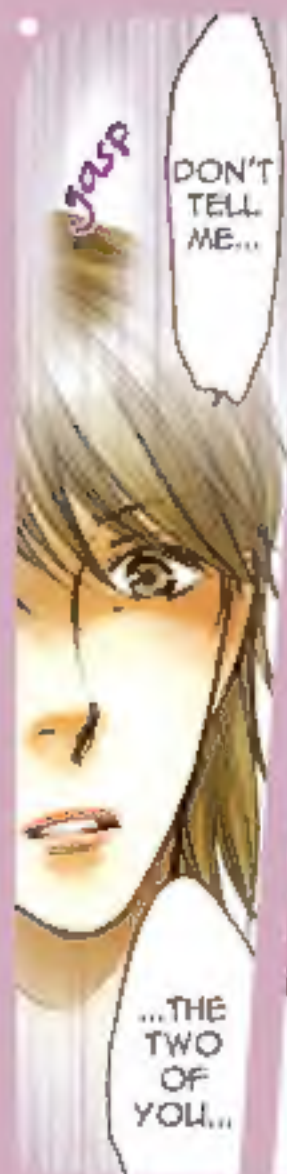

Please enjoy the story. And don't forget to reduce your expectation by 30%.

(It's really important, so I have to say it twice.)

Fumi-kun Deludes Too

This takes place after chapter 3, where they touched each other for the first time.

I usually hate the idea of watching porn with Shunpei well... but...

when...

Thank God.

Mom's really sharp but she guessed wrong on some things.

SHIT,

BEING JERKED OFF BY ANOTHER... REALLY HITS ME... IN THE HIPS...

dazing off

Fumi I'm scared.

NO!

* PARTS OF THE MEMORIES HAVE BEEN BEAUTIFIED.

FUMI...

...YOU LIAR.

You said you wouldn't put it in

For me to become so brutal.

I'm sure I can only be like that when the partner is Shunpei.

Blood rushed to my head...

...and it's amazing how I didn't force him to do it till the end.

It was only "sumata" and he's already so frightened.

I feel sorry for him but.

I got so excited...

Seeing Shunpei's crotch getting all wet and dirty from my thrusting action...

...aroused me even more.

NOTE: "SUMATA" IS THE PROCESS OF GRINDING THE BENE'S PENTS IN BETWEEN THE UKE'S THIGHS

PLEASE ENJOY FUMIHIRO'S DELUSIONAL WORLD FOR A LITTLE WHILE.

He got so mad after I touched him like that. I wonder how he'll react...

...the day I get to enter him.

But...

...his butt... it was really stiff. He must have been really frightened.

But that's what makes him cute too.
